

VIRTUAL HOME BUYING PROGRAM

1. Virtual Consult

We will schedule a virtual appointment to learn what you are looking for and develop a game plan to find you what you want.

2. Home Favorites

We will use those specific criteria and email you listings matching your specific criteria the moment they hit the market.

3. Virtual Tours

We'll accommodate virtual tours using mobile technology of any homes your like, and thereby keeping everyone safe.

4. Sign Electronically

We'll use digitally encrypted online signature services to sign and verify all applicable contract paperwork and addenda.

5. Earnest Money Delivery

We'll work with the Title Company to coordinate delivery of your earnest money check by wire transfer or pick up by mobile title representative.

6. Home Inspection

Our inspectors will send you a digital copy of their inspection report with detailed photos and descriptions, so you know all there is to know.

7. Closing Time

In some instances, digital closings can be accommodated. In cases where they can't, a mobile notary will bring your closing to you.

8. Welcome Home

Upon closing and funding of your contract, we'll even deliver the keys right to your doorstep. The old one OR the new one!
